

YTD CHIP IN REPORT

A chip-in occurs when your first shot onto the green (whether you used an iron or a putter) goes directly into the hole. Record -0- putts on the scorecard for that hole.

The total money in the ChipIn Pot will be divided by the total # of chip-ins made by Pot participants to determine the amount to be paid for each chip-in. The PPC (payment per chip-in) will be multiplied by the # of chip-ins made to determine the winnings to be paid to the participant at the end of the year luncheon.
